## LIFETIME LIMITED WARRANTY (Transferable)

## ENGLERT RAINPRO WITH SCRATCHGUARD SEAMLESS ALUMINUM GUTTER AND RAIN CARRYING SYSTEMS WARRANTY

## **Coverage Under This Warranty**

Subject to the terms and conditions set forth in this Certificate, Englert warrants that the seamless aluminum Rainpro with ScratchGuard gutter and rain carrying accessories identified in this Certificate and installed on the Property identified in this Certificate will not blister, flake, chip, crack, peel, split, rot, red rust, or structurally deteriorate as a direct result of manufacturing defects, under ordinary wear conditions, if installed to Englert specifications and provided that the cleaning methods as described on the other side of the Warranty have been fully followed. This Lifetime Limited Warranty lasts for the life of the property on which the gutter/rain carrying accessories were originally installed, for as long as you own the Property. This warranty is transferable by the original property owner to subsequent purchasers of the property provided Englert receives notice of transfer of title of the above property within 30 days after the date of the sale. However, upon the transfer, the warranty period will be no more than 50 years from the date of original installation of the gutter/rain carrying accessories on the **Property, prorated in accordance with the Warranty Coverage Schedule.** Reference in this Warranty to seamless aluminum gutters means aluminum gutters shaped and rollformed from Englert's aluminum gutter coils and installed on the property.

## Owner(s) Responsibilities in the Event of a Defect or Complaint

If you believe or find that your seamless aluminum Rainpro gutters or gutter accessories exhibit a manufacturing defect covered by this Warranty, simply write to Warranty Department, Englert Inc., 1200 Amboy Avenue, Perth Amboy, NJ 08861. Describe the defect and provide your name, property address, date of installation, and copy of this Certificate. In order to qualify for warranty coverage, you must submit in writing within forty

to resistance to chipping, peeling and blistering, the
